Knightly News

In the Swing of It

We are well into our school year and we are pleased as punch to announce a few changes.

1. Our student body has grown – particularly on the Elementary side.
2. Our students are learning archery. Since acquiring our new gear our students have run headfirst into learning the parts of the bow, proper use, archery rules, and how to shoot for the target.
3. We have a new extra-curricular group that has begun. Our Breakfast Club meets every Tuesday & Thursday morning from 7:30 to 8:30. They practice Academic Bowls, Spelling Bees, and they are learning the intricacies of Chess.
4. Our Armory is almost ready! This is our calming room for our students who sometimes need a quiet place to work or think. We can't wait for the kids to see it!
5. Our new computers have arrived! We also have applied for a grant from LWML for tablets for each of our students. Please pray that our grant is accepted!

SJLS Field Trip & Fall Break

Fall Break is almost upon us which means that our all school field trip is coming up!

We are having a private event at The Patch in Edmond this year and we are so excited. Pumpkins, treasure, farm animals, even a unicorn!

Please see the flyer for details.

Our candy fundraiser is nearing completion and so is round two of tee shirt orders. If you haven't already, get your shirt order in! And be on the lookout for our next PALS Fundraiser, the Scholastic Book Fair!
